

**Peter Kirstein** is Director of Research at the Department of Computer Science, University College London. He has been leading research projects in computer communications - mostly in collaboration with European and US colleagues. He is a Fellow of the UK Royal Academy of Engineering, and many professional societies. In 1999, he received the SIGCOMM99 award for his contribution to the international development of the Internet, and the IEE Senior Award.

He is past Chair of the Computer Networking Panel of the NATO Science Committee, and leads its SILK and SPONGE projects. <kirstein@cs.ucl.ac.uk>
