

Johan Oomen received an MA degree in 2002 in Film and Television Studies from the University of Amsterdam. Since 1998, he has been an employee of the Netherlands Institute for Sound and Vision (formerly Netherlands Audiovisual Archive), working on European-funded research projects. Since 2001 he has been a member of the "Webstream", the working group on the use of streaming in higher education and editor of its website. <joomen@beeldengeluid.nl>
