

Bert van Pinxteren is TERENA's Chief Administrative Officer, responsible for a range of things, from the day-to-day organisation of the TERENA Secretariat to support for the TERENA Conference and the General Assembly. Trained as a social scientist, Bert has coordinated the TERENA Compendium work since its start in 1999. After graduating in 1981, Bert worked in various organisations, lastly at Friends of the Earth International, before joining TERENA in 1998. <pinxteren@terena.nl>
