Upravljanje sadržajem

The screenshot displays a web-based content management system interface. At the top, there is a navigation menu with links: Home, Content, Training, Meetings, Seminar Rooms, Event Management, and Administration. Below this is a secondary menu with links: Shared Content, User Content, My Content, and Content Dashboard. The main content area shows a breadcrumb path: User Content > mfitzpatrick@macromedia.com. There are three tabs: Content List (selected), Edit Information, and Set Permissions. Below the tabs are several buttons: New Content, New Folder, Delete, Up One Level, and Move. A table lists the content items with columns for Name, Type, and Date Modified. A 'Set Permissions' dialog box is open over the table, showing a list of available users and groups, and a section for current permissions for the user 'd Slater'.

Virtualne učionice

The screenshot shows a virtual classroom interface. At the top left is the logo for 'GLOBAL ELECTRONICS' with the tagline 'THE PERFECT HARMONY OF TECHNOLOGY + LIFESTYLE'. The main content area features a presentation slide titled 'Glow 360°' with a 3D model of a futuristic mouse. The slide text reads: 'This new generation of products builds upon the key features of our previous models – like universal connectivity, audio syncing, bluetooth-enabled remoting, and of course, our signature, award-winning, industrial design.' On the right side, there is a video feed of a woman, a navigation menu with 'Outline', 'Thumbs', 'Notes', and 'Search', and a table of contents:

Outline	Thumbs	Notes	Search
Outline			
Glow 360 Product Ov...			00:05
3D Product Model			00:05
Product Features			00:05
Product Reliability			00:10
Detailed Model			00:05

Below the presentation, there is a control panel with a slide number '31', a date 'August 2006', and a time '10:45 PM'. A dropdown menu is open, showing a list of templates:

- Shared Templates\Default Event Template
- ✓ Shared Templates\Default Meeting Template
- Shared Templates\Default Training Template
- Shared Templates\Captivate Sample
- Shared Templates\My Site
- Shared Templates\New Event template
- Shared Templates\template admin only
- Shared Templates\template virtual workspace
- Shared Templates\test to check audio

At the bottom of the menu, there are two entries: 'may enter the room' and 'can enter the room'.

- Multimedijalne prezentacije, softverske simulacije i dijeljenje aplikacija
- Ponovno korištenje postojećih sadržaja u virtualnim učionicama u živo
