Tihomir Orehovački

Mario Konecki

Danijel Radošević

# E-obrazovanje nove generacije

- e-obrazovanje 2.0 je naziv za e-obrazovanje bazirano na Web 2.0 principima
- umjesto da se koristi sadržaj koji su kreirali nastavnici te se kao takav čita i koristi, studenti kroz interakciju te razmjenu iskustava i informacija dolaze do stvaranja novih znanja
- proces e-obrazovanja podržan je uporabom niza Web 2.0 tehnologija koje nisu primarno namijenjene učenju

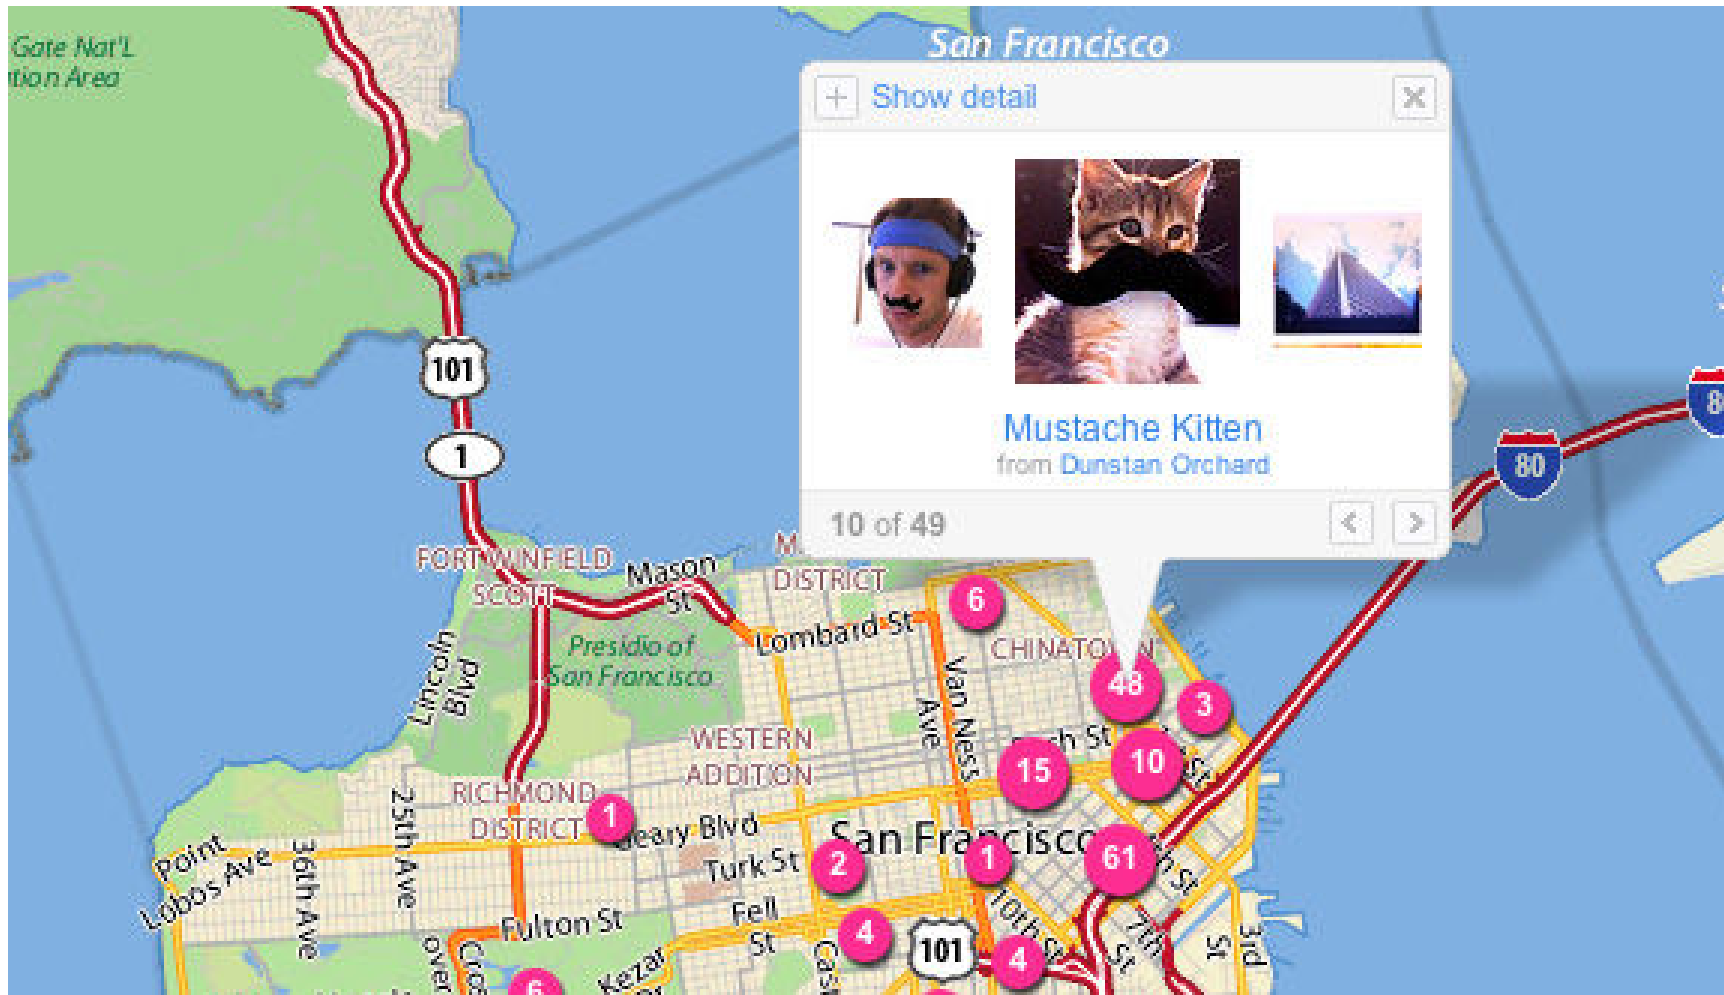

# Alati za e-obrazovanje 2.0

- Razmjena medija
  - Razmjena fotografija
  - Podcasting
  - Vlogging
- Komunikacija
- Suradnja
- Kreativno učenje
- Izrada materijala za učenje
- Zamjena standardnih desktop aplikacija
- Sustavi za upravljanje učenjem
- Društvene knjižne oznake (engl. social bookmarking)

# Razmjena fotografija

- web servisi koji na jednom mjestu omogućavaju pristup velikom broju fotografija koje mogu biti korištene u prezentacijama, obrazovnim materijalima na webu, studentskim zadaćama, blogovima i sl.; studenti mogu svoje fotografije “uploadati” te dijeliti s drugima
- Flickr
  - sve fotografije su označene tagovima što nastavnicima i studentima (učenicima) pruža mogućnost lakšeg pretraživanja i pristupa organiziranom sadržaju
  - pruža mogućnost ostavljanja komentara na slici pri čemu je svaki komentar prikazan u obliku kvadratića
  - Organizir pomoću geotagiranja omogućava korisnicima da na karti svijeta prikažu gdje su pojedinu sliku fotografirali
- Zoto (trenutno u verziji 3.0)

# Flickr .: geotagiranje i komentiranje fotografija

# Podcasting

- stvaranje vlastitih audio zapisa ili čak radio emisija koje se onda korištenjem RSS-a mogu vrlo jednostavno publicirati na Webu
- slušatelji korištenjem određenog playera skidaju materijale na koje su se pretplatili te ih takve mogu slušati kada žele i koliko god često žele
- Odeo - korisnici mogu kreirati vlastite audio zapise, podijeliti ih sa ostalim korisnicima diljem svijeta kao i preslušavati postojeće audio zapise

# Odeo .: stvaranje i razmjena audio zapisa

The screenshot shows the Odeo website header with the logo on the left, navigation buttons for 'BROWSE' and 'MY AUDIO', and links for 'sign up' and 'login'. A search bar is also present. Below the navigation is a grid of four featured articles with titles and brief descriptions.

# Google Video .: omogućava preuzimanje video zapisa

The screenshot shows a Google Video search result for the video "Hubble - 15 Years of Discovery (2005)". At the top left, the Google logo and search bar are visible. The video title is "Hubble - 15 Years of Discovery (2005)", with a duration of 1 hr 22 min and a date of Jan 30, 2007. It has 144 ratings and a "Share" button. Below the title is a "Related videos" section with six video thumbnails and their titles: "The Hubble Deep Field: The...", "Discovery Channel Future We...", "what we still dont know", "Discovery Channel Extreme M...", "THE UNIVERSE FROM HUBBLE", and "THUNDERBOLTS OF THE GODS". The main video player shows a 3D rendering of the Hubble Space Telescope. To the right of the player, the video title is repeated, along with "All time views: 88,340", the duration "1 hr 21 min 40 sec - Jan 30, 2007", and buttons for "Download" (for Video iPod/Sony PSP) and "Email - Embed". A text block below these buttons reads: "An ESA documentary, sent out with New Scientist. Note: As of 2007-02-17 the audio sync problem has been fixed, my apologies to everyone who already downloaded a copy before I noticed the problem." Below this are links for "Details - Comments - More from user" and two smaller video thumbnails: "An excerpt from The Living ..." (5 min) and "Future Crew Panic (1992)" (4 min). At the bottom of the player, a progress bar shows the video is at 10:11 / 1:21:40.

# Komunikacija

- osnovna namjena je razmjena znanja i iskustava te stvaranje socijalnih mreža među studentima
- MySpace omogućava povezivanje studenata sličnih interesa te razmjenu resursa
- YackPack je specijalizirani alat za audiokonferenciju koji nastavnicima i studentima omogućava postavljanje pitanja, rad na projektima, kolaboraciju u rješavanju problema itd. Svaka konverzacija se pohranjuje i može se kasnije koristiti
- Chinswing je audio forum gdje studenti i nastavnici ne razmjenjuju tekstualne poruke već komuniciraju putem asinkronih audio poruka (zapisa)
- Yaplet omogućava dodavanje soba za čavrljanje bez registracije i instalacije na svaku web stranicu te na taj način pruža mogućnost komunikacije između studenata koji posjećuju iste web stranice odnosno imaju slične interese

# YackPack .: specijalizirani alat za audiokonferenciju

# Chinswing .: forum za razmjenu audio poruka

The screenshot displays the Chinswing website interface. At the top left is the logo "CHINSWING BETA" with the tagline "Creating Conversations". To the right is a search bar and a login section with fields for "username:" and "password:", a "keep me logged-in" checkbox, and "LOG IN" and "Sign up to join in!" buttons. Below the header is a navigation menu with links: "Home | Getting Started | Help | About Us | Contact & Feedback".

The main content area features a green header with "Back to The Language Channel" and "Show All Channels". Below this is the title "Audio Lesson 1: Greetings and introductions". Underneath the title, it lists "Keywords: greetings, name, say", "3" comments, "52sec" duration, "Created by rrebolledof", and "Chile" with a flag icon. There are also "RSS" and "iTunes" icons.

The central part of the interface is an audio player with three tracks:

- Track 001: User "rrebolledof", 0min 14sec, 2 wks ago. The track is currently "Playing". Description: "Grabe aquí lo aprendido en la lección 1 'Greetings and'".
- Track 002: User "tobby", 0min 10sec, 13 hrs ago. Description: "Grabe aquí lo aprendido en la lección 1 'Greetings and'".
- Track 003: User "alexandraz", 0min 13sec, 13 hrs ago. Description: "Grabe aquí lo aprendido en la lección 1 'Greetings and'".

To the right of the tracks is a playback control panel showing a progress bar at 0:04, play/pause buttons, and a "RECORD a message" button.

At the bottom of the player is a timeline with three small profile pictures on the left and a series of empty slots representing a playlist or queue.

# AnswerU .: razmjena znanja i iskustava

The screenshot shows the AnswerU website interface. At the top, there is a navigation bar with links for Home, Questions, About, Log In, Register, Invite, Widgets, Ask Question, and Members. Below this is a search bar and a "Change School" link. A yellow banner message states: "You are off-campus. You can still ask or answer a question by simply clicking [here](#) to validate your email."

On the left side, there is a section for "Join AnswerU" and "Log In". Below that is a "Poll" section titled "What would be the coolest giveaway for our next contest? (Contest starts 3/1)". The poll options are: Video IPOD, iPhone (be the first to get one when available), Xbox 360 with 2 games, Wii, and Apple TV. There is a "Vote" button and a link to "View Results".

The main content area is divided into two columns: "ask." and "answer.". The "ask." column contains a form for asking a question and a red "Ask a Question" button. The "answer." column contains a section for sharing knowledge and helping others with their questions, with links for "How does AnswerU work", "Best Questions", and "Get AnswerU widget". There are also social media links for MY YAHOO!, Add to Google, and RSS.

Below the "ask." and "answer." columns is a list of questions. Each question includes a user profile picture, the question text, the user's name, and statistics for answers, views, and ratings. The questions are:

- What is the cheapest delivery pizza in Stockton? --Anonymous (1 answer, 16 views, 4 stars)
- Should the Attorney General Alberto Gonzales be fired? --Alexander Hoyer (1 answer, 6 views, 4 stars)
- What's your favorite restaurant near campus? --Evan Howell (2 answers, 10 views, 5 stars)
- Could I get paid more for my UROP than I put in the proposal if I end up working more hours than planned? --tiffy (1 answer, 22 views, 5 stars)
- I need an excuse to get out of a late paper? Any ideas? --Anonymous (1 answer, 10 views, 4 stars)

On the right side, there is a section titled "Whats happening on campus this week?". It includes a "What's this?" section with a link to "Answer This question" and several news items with user avatars and names: "yellowcard concert april 14th", "tonight you can go ice skating for free right after the ice..." --linsay, "Mister Business Friday, March 16th 7PM @Anderson Auditorium" --Amit, "st. paddy's day party at the Kong comin soon", and "pfoho 90's dance this saturday night!!!!" --Doug. There is a "More..." link below this section.

Below the "Whats happening on campus this week?" section is a "Featured Members" section with user avatars and names: Allison Lockberg(BC), Brooke Engelbrecht(PACIFIC), and sasha(PACIFIC).

# Kreativno učenje

- cilj ove skupine alata je potaknuti studente na aktivnost i kreativnost
- JotForm je specijalizirana web aplikacija koja omogućava kreiranje formi koje se mogu integrirati jednostavnim kopiranjem koda u osobne web stranice i blogove što sam proces personalizacije na webu čini lakšim i jednostavnijim
- LetterPop je web aplikacija specijalizirana za izradu brošura koja omogućava studentima da iskažu svoju kreativnost
- Bubblr je alat koji omogućava iskazivanje kreativnosti studenata kroz izradu stripova gdje bazu čine slike iz web servisa Flickr
- Bubbleply i Mojiti omogućavaju dodavanje balončića sa komentarima na kreirane ili postojeće video zapise. Na ovaj interaktivan način moguće je stvarati kreativne obrazovne video materijale, dodavati zabilješke (komentare na pojedini video zapis i sl.) te objavljivati video uratke na web stranici, blogu i sl.

# LetterPop .: izrada brošura i plakata

The screenshot displays the LetterPop website interface. At the top, the LetterPop logo is on the left, and navigation links for Home, Create, Explore, and Blog are in the center. A 'Join LetterPop today! Sign In' link is on the right. Below the header, there are options to Save, Email, Publish, and Print. The main content area shows a brochure design with a dark red background and the text 'HAPPY HALLOWEEN' in a jagged, yellow font. Below the text is a white box with a placeholder for a photo and the text 'Drag and drop your photo here.' To the right of the brochure design is a sidebar with 'Themes & Templates' and 'My Pictures & Images' sections. The 'My Pictures & Images' section shows a grid of six images with 'Enlarge' buttons below each. At the bottom of the sidebar, there is a promotional message: 'Create a FREE account to upload and use your own images in your newsletters.'

# Bubblr .: dodavanje komentara na fotografije

The screenshot shows the Bubblr web application interface. At the top right, the 'BUBBLR' logo is visible. On the left, there is a search bar with the text 'Search flickr images by...' and a 'GO!' button. Below the search bar, there are fields for 'Tag' (containing 'halloween') and 'User'. A horizontal strip of ten small thumbnail images is displayed below the search bar. The main area features a large photo of two people at a table with a speech bubble containing 'ZZZZZZZZZZZZZZZZZZZZ'. Below the photo, there is a 'delete' link and the text 'flickr: CIMG0786'. At the bottom, there are two main control panels: 'Add bubbles (drag&drop)' with a speech bubble icon and a 'Do.' button, and 'Add frames' with two options: '+ Before current' and '+ After current'. A large pink 'PUBLISH!' button is located on the right side of the bottom panel.

# Bubbleply .: dodavanje komentara u video zapis

The screenshot displays the BubblePLY.com website interface. At the top, there is a navigation bar with the 'PLY media' logo and tabs for 'BubblePLY', 'SubPLY', 'AdPLY', and 'InfoPLY'. The 'BubblePLY' tab is active. Below the navigation bar, the website's logo 'BubblePLY.com' is prominently displayed, along with the tagline 'You create, We sync' and links for 'Home', 'Demo', 'Register', and 'Login'. The main content area is divided into three steps: '1. Bring a Video', '2. Add Bubbles', and '3. Get a Link'. The first step is currently selected. The central panel contains the instruction 'Add Bubbles to any video, Post it anywhere you wish!' and a text input field for pasting a video link, with a sample URL provided. A 'next' button with a play icon is positioned below the input field. To the left of the main panel, there is a section titled 'Add Bubbles to Week's best videos' with a vertical list of video thumbnails. To the right, there is a section titled 'Best Bubblers' with another vertical list of video thumbnails. At the bottom of the main panel, there is a 'Bubble it!' logo and a note about a bookmarklet. Below this, there is a section for finding great videos at various sources, including YouTube, Google, Myspace, Dailymotion, and Metacafe.

# Izrada materijala za učenje 1/2

- imaju ogromni značaj jer ih nastavnici mogu organizirati i prilagoditi na način da zadovolje potrebe studenata te im prezentiraju informacije na niz različitih načina i oblika kao i putem različitih medija
- Slidestory je servis koji omogućava povezivanje slika (prezentacija) i govora u jednu cjelinu koja se naziva „slidestory“. Na ovaj način nastavnici mogu organizirati (snimiti) svoja predavanja te ih objaviti na Webu.
- Nanolearning je servis koji pruža mogućnost brzog i kvalitetnog učenja pojedinih cjelina nastavnog sadržaja jer ih je moguće organizirati i podijeliti u niz manjih dijelova. Svaka cjelina može sadržavati audio zapis u mp3 formatu i video zapis u swf formatu.

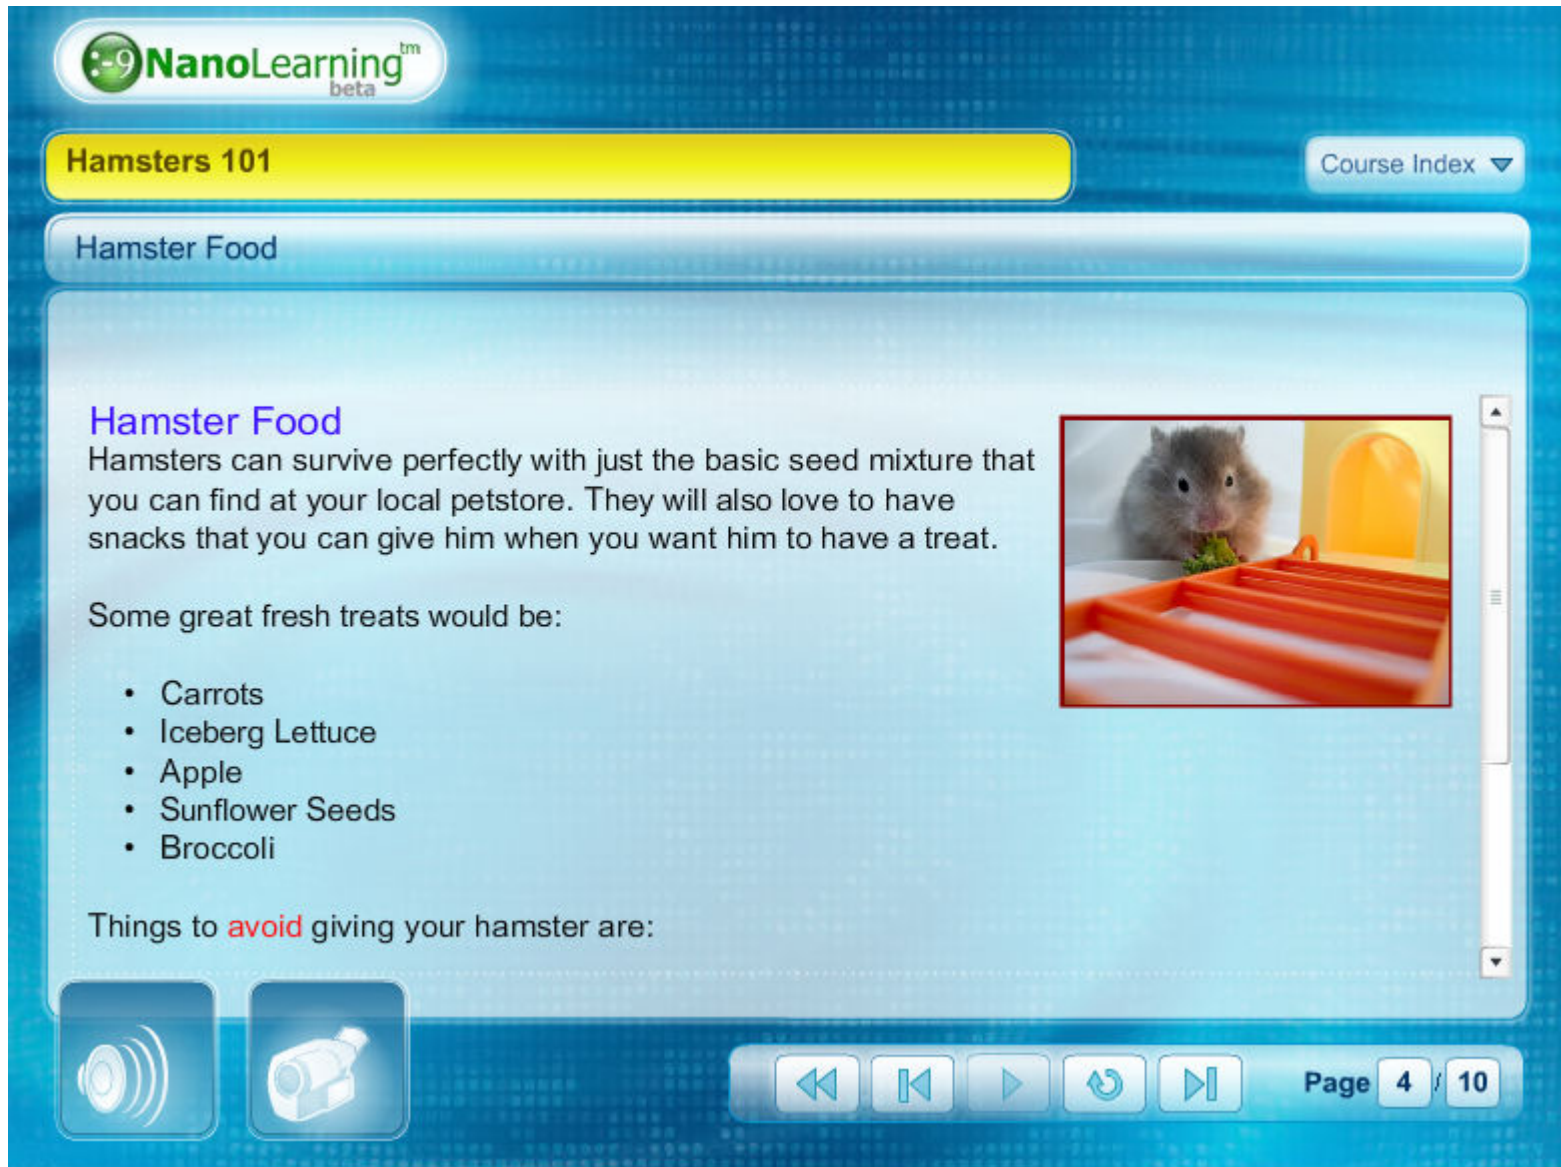

## Izrada materijala za učenje 2/2

- Veotag je web aplikacija koja omogućava kvalitetnu organizaciju video i audio materijala. Za svaki važan dio video materijala definira se određeni naslov i/ili komentar koji će kasnije poslužiti kao navigacija kroz kreirani video zapis. Za vrijeme izvođenja video materijala veotagovi se označavaju posebnom bojom naglašavajući dio videa koji je pojedinim komentarom objašnjen. Kroz navigaciju video ili audio zapisa mogu se preskočiti dijelovi za koje korisnik smatra da su nevažni te se usredotočiti na važne dijelove bez potrebe da se video ili audio zapis gleda odnosno sluša od početka do kraja

# Slidestory .: povezivanje slika i govora

The screenshot displays the Slidestory interface for a podcast. At the top, there are buttons for 'Publish', 'Preview', 'Add', and 'Settings', along with the Slidestory logo. Below this is a row of eight audio player icons, each with a duration: 1 (0:08), 2 (0:25), 3 (0:27), 4 (0:25), 5 (0:27), 6 (0:27), 7 (0:24), and 8 (0:25). The main content area is divided into two sections: 'Podcast' and 'Audio Transcript'. The 'Podcast' section includes an 'Edit' button, a category of 'Education', a title 'Edgar Allen Poe - The Raven', a description of Poe's life and work, tags '1845 EdgarAllenPoe Poem Poet Raven', and a length of 7:55 with 19 slides. The 'Audio Transcript' section has a checked box for 'Publish Audio Transcript (optional)' and contains the text of the poem 'The Raven' by Edgar Allan Poe, published in 1845. The transcript is displayed in a scrollable text area. At the bottom, there is a playback control bar with a progress indicator, a play button, and a 'Q card' button. The status 'Audio: Stopped 0:08' is shown on the right side of the control bar.

# Nanolearning .: organizacija nastavnog sadržaja

The screenshot displays the NanoLearning beta interface. At the top left is the logo with a green circle containing a white '9' and the text 'NanoLearning™ beta'. Below the logo is a yellow bar with the text 'Hamsters 101'. To the right of this bar is a 'Course Index' dropdown menu. Below the yellow bar is a light blue bar with the text 'Hamster Food'. The main content area has a light blue background and contains the following text:

**Hamster Food**  
Hamsters can survive perfectly with just the basic seed mixture that you can find at your local petstore. They will also love to have snacks that you can give him when you want him to have a treat.

Some great fresh treats would be:

- Carrots
- Iceberg Lettuce
- Apple
- Sunflower Seeds
- Broccoli

Things to **avoid** giving your hamster are:

To the right of the text is a small image of a hamster eating green leafy vegetables from an orange plastic feeder. At the bottom of the interface are several navigation icons: a speaker icon, a camera icon, and a set of media control buttons (back, forward, refresh, play/pause). To the right of these icons is a page indicator showing 'Page 4 / 10'.

# Sustavi za upravljanje učenjem 1/2

- platforme koje na jednom mjestu omogućavaju kontakt sa polaznicima, pristup informacijama koje su potrebne za završetak tečaja te mogućnost vrednovanja znanja polaznika
- Elgg
  - svakom korisniku nudi mogućnost personalizacije odnosno izrade online profila i bloga, korištenje spremišta podataka koje ima podcasting mogućnosti te RSS čitač
  - sav sadržaj kojim korisnik raspolaže može biti tagiran ključnim riječima što olakšava povezivanje sa korisnicima sličnih interesa te omogućava brže i kvalitetnije stvaranje socijalnih mreža učenja
  - korisnik može ograničiti pristup vlastitim resursima - tako neki resursi mogu biti javni dok drugima mogu pristupati samo određeni pojedinci odnosno skupine korisnika

## Sustavi za upravljanje učenjem 2/2

- Nuvvo je prvi LMS sustav baziran na AJAX tehnologiji koji pruža mogućnost oglašavanja na „tržištu e-obrazovanja“ pri čemu studenti iz cijeloga svijeta mogu pretraživati tečajeve koji se na tom tržištu nalaze te se prijaviti na one koji su im zanimljivi

# Zaključak

- integracijom Web 2.0 principa u proces e-obrazovanja pojavio se veliki broj web aplikacija koje studentima olakšavaju pristup informacijama kao i usvajanje znanja
- mnoge od spomenutih aplikacija se ne koriste ili su vrlo malo poznate što je pokazalo istraživanje provedeno na studentima informatike FOI-a koji su natprosječno upoznati s novim Internetskim tehnologijama u odnosu na ostale korisnike Interneta u Hrvatskoj

**Hvala na pažnji !**
