

CV

Gordana Buhinjak is a head of CARNet Education Center Edupoint. During her work in CARNet since 2002 she has been involved in several projects on course development, training the trainers, marketing and e-learning.

Together with Peter Egger she presented her experiences of Marketing between users and sponsors on the third CEENet workshop on network management in Zagreb in 2002.

Gordana Buhinjak is a leader of CARNet pilot project Online IT Courses for Students in Higher Education in Croatia. She is planning to start new CARNet projects on online and blended learning.
